Capital markets middle office analyst 1 wells fargo

Middle Office Analyst Hong Kong As a Barclays Middle Office Analyst you will support our synthetics trading desks within the Equity Financing group. This includes taking ownership of day to day functions and ensuring Operational control requirements are met, this will be achieved by supporting the team covering day-to-day support activities as well as helping on designing and the implementation of projects. You will play an integral role in the rapidly growing equities business at Barclays and are key stakeholders in multiple projects and new business ventures. Barclays is one of the world's largest and most respected financial institutions, with 329 years of success, quality and innovation behind us. We offer careers that provide endless opportunity - helping millions of individuals and businesses thrive, and creating financial and digital solutions that the world now takes for granted. What will you be doing? Monitoring all control reports, exceptions, and queries are resolved in a timely manner Working with Traders, Trader Assistants, Product Controls and Market Risk on resolving any queries from internal or external sources Engaging with Project and IT teams on all projects and UAT sessions You will actively question and challenge existing practices / procedures and make improvement suggestions Engaging with Regulatory Control and be aware of all regulatory requirements Liaising with Internal Audit and Risk & Control on all control processes to ensure they remain relevant and efficient What we're looking for: Bachelor's degree in Business, Finance or equivalent experience Strong communication skills experience dealing with traders and management preferred Proficiency in Cantonese and Putonghua is a plus Excellent analytical and problem solving skills Ability to work under pressure and to challenging deadlines Skills that will help you in the role: Preferably 1-3 years relevant experience in trade support / middle office function Knowledge of Asia equities markets, ETF, and equity derivative products including equity swap Possess a strong risk and control mindset Proactive and ability to take business initiatives Where will you be working? Our offices are situated in the center of Hong Kong's financial district, at 2 Queen's Road, Cheung Kong Centre is an investment banking hub that offers panoramic views of Victoria Harbour and Kowloon Peninsula. There is a variety of local amenities and you will be just a short walk from shopping malls, health clubs and multiple transport links. #LI - DNI Finance is the oxygen of the economy. Acting transparently and with expertise, we deploy finance responsibly to support people and businesses, acting ...More Jobs From BarclaysMore jobs from the companyMore Jobs Like This Job Description Important Note: During the application process, ensure your contact information (email and phone number) is up to date and upload your current resume when submitting your application for consideration. To participate in some selection activities you will need to respond to an invitation. The invitation can be sent by both email and text message. In order to receive text message invitations, your profile must include a mobile phone number designated as "Personal Cell" or "Cellular" in the contact information of your application. At Wells Fargo, we are looking for talented people who will put our customers at the center of everything we do. We are seeking candidates who embrace diversity, equity and inclusion in a workplace where everyone feels valued and inspired. Help us build a better Wells Fargo. It all begins with outstanding talent. It all begins with you. Corporate & Investment Banking delivers a comprehensive suite of capital markets, banking, and financial products and services. A trusted partner to our clients, we provide corporate and transactional banking; commercial real estate lending and servicing; investment banking; equity; and fixed income solutions including sales, trading, and research capabilities to corporate, commercial real estate, government, and institutional clients across the globe. Middle Office is primarily responsible for the daily support of the Equity Trading Desks. Among the responsibilities of this role, this candidate will be required to monitor trading activity and be able to resolve inter-system issues and breaks. As part of the daily control framework of the role, this resource will be required to identify trade capture discrepancies and be able to present issues to the trading desk for resolution. This role is also responsible for basic portfolio maintenance relating to trade maturities, resets and corporate actions, as well as analysis of settlement reporting dispute resolution as well as. The candidate must be able to navigate and work closely with various support functions, including: Trading, Sales, Operations, Finance and Compliance. The candidate will also need to work with various business lines and project management groups when needed. This resource will be expected to participate in the assessment of existing processes in order to identify areas for control enhancement and then work with MO/Operations management to drive change and increase efficiencies across the control framework for Middle Office. The resource will also be expected to deliver on ad hoc requests while maintaining strong quality of work for the Equity Trading Desk. Employees support our focus on building strong customer relationships balanced with a strong risk mitigating and compliance-driven culture which firmly establishes those disciplines as critical to the success of our customers and company. They are accountable for execution of all applicable risk programs (Credit, Market, Financial Crimes, Operational, Regulatory Compliance), which includes effectively following and adhering to applicable Wells Fargo policies and procedures, appropriately fulfilling risk and compliance obligations, timely and effective escalation and remediation of issues, and making sound risk decisions. There is emphasis on proactive monitoring, governance, risk identification and escalation, as well as making sound risk decisions commensurate with the business unit's risk appetite and all risk and compliance program requirements. Required Qualifications 1+ year of office experience demonstrated through work or military experience Desired Qualifications Basic Microsoft Office skills Strong attention to detail and accuracy skills Excellent verbal, written, and interpersonal communication skills Strong presentation skills Effective organizational, multi tasking, and prioritizing skills Ability to work in a fast-paced deadline driven environment 1+ years of experience supporting trading systems, applications or platforms Knowledge and understanding of capital markets or trading Knowledge and understanding of OTC: derivatives Knowledge of capital market and derivatives products Other Desired QualificationsUnderstanding of the front to back controls of traded products. Street Address NY-New York: 500 W 30TH ST - New York, NY Disclaimer All offers for employment with Wells Fargo are contingent upon the candidate having successfully completed a criminal background check. Wells Fargo will consider qualified candidates with criminal histories in a manner consistent with the requirements of applicable local, state and Federal law, including Section 19 of the Federal Deposit Insurance Act. Relevant military experience is considered for veterans and transitioning service men and women. Wells Fargo is an Affirmative Action and Equal Opportunity Employer. Minority/Female/Disabled/Veteran/Gender Identity/Sexual Orientation. Benefits Summary Benefits Visit for benefits information. View Allnum of numThis is the employer's chance to tell you why you should work for them. The information provided is from their perspective. If you are good in negotiation, you may get good comp. Chilled out atmosphere, if you want to stay without learning much then this is a good place for you. Manager sitting in india is just for namesake. He/She will only say what their counterparts feed them. They are not at all helping and don't expect them to guide you when you are in trouble. Just see previous quarter results of Wells Fargo before joining them. They are laying off people. Technically they are far behind as compared to other banks. Societe generale, Fidelity are way ahead of them. There are around 13k employees at Bangalore office. That's a lot. Shows how much they have hired and they will not think twice before firing you. In my opinion Wells is a sinking ship now. If you have an offer which is comparable to Wells then think twice before making decision in favor of Wells. Less growth - Technically as well...Read More Work timings: Flexible Timings Work related travel: This is a desk job.
